

Dharnya Day NAIDOC EVENT

Wednesday 5 July 2023

CANCELLED

Due to flood damage, biohazards, ongoing rectification works we will be unable to host our Dharnya Day event for 2023.

It is an event of such importance to all of us, but we need to provide a safe space for the community and staff to participate in ever increasing numbers.

On the bright side, the new Dharnya Centre Development will be ready in time for the 2024.

We will organise a truly Yorta Yorta celebratory event next year.
